

ARKANSAS ELITE WELDING ACADEMY

6 Hours of Professional Development Training in General Welding

- Training Limited to 12 Participants -

Friday, June 9 • 8:00am – 2:00pm • Lunch Provided

Registration opens Monday, January 2 through Thursday, May 25 at 4:00pm

AEWA Contact: Hunter Sherman at 501-556-7577 or hsherman@arkansasewa.com

Training Objectives: To gain knowledge, confidence, and basic understanding of the following welding processes. Machine settings and weld safety will also be covered.

Processes Provided*: GMAW (Mig), SMAW (Stick), GTAW (Tig), and Oxy/Acetylene Torch Cutting

**Participants may choose which process/processes they want to receive training in.*

Participants will run beads on Flat, Horizontal, and Vertical plates and then progress to T-joints in the 2F and 3F positions. **Participants will also be able to practice on the 5F pipe to plate SMAW 6010/7018 test coupon. This is the process that will be used for the seniors competing in the 2024 welding competition.**

Arkansas Elite Welding Academy will distribute sample high school welding curriculum to all participants.

PPE Required: Long Sleeve 100% cotton or FR rated shirt, Leather work shoes or boots, Leather gloves, Safety Glasses, and a Welding hood.

Training Cost: \$350

Optional tool package: \$150 *(The AEWA optional tool package includes a welding hood, welding lens, safety glasses, and leather gloves)*

AEWA set up "free" tickets through EventBrite just so participants could register to attend. The training cost is \$350. This cost includes materials, supplies, and lunch. AEWA will send an invoice for the training to the email provided. Participants can purchase an optional tool package which includes a welding hood, welding lens, safety glasses, and leather gloves for an additional \$150. Confirmation of payment is due before the training begins on June 9.
